Township Benefits From the Independence Conservancy and TreePennsylvania Grant Program

In late November, members of the Independence Conservancy and the Township Road Department planted five (5) Red Maple trees at the Brighton Township Police Department. Five (5) Swamp White Oak trees were also planted at the Two Mile Run Disc Golf Course to replace ash trees that have died as a result of the Emerald Ash Borer. The Independence Conservancy obtained these trees through a TreePennsylvania grant program. Over the past three (3) years the Independence Conservancy has planted 45 large-caliper bare-root trees on publicly owned and accessible lands within Beaver County. We are grateful for the assistance of the Independence Conservancy!
