Dear Business Owner,

I pray this message finds you well! As a breast cancer survivor, I am deeply grateful for the transformative impact a stranger's kindness had on my journey. That pivotal moment inspired me to establish Bags and Blessings, an initiative dedicated to offering love and hope to individuals undergoing chemotherapy.

Since our inception in 2019, we've distributed over 1,200 Christmas bags alongside our recent initiatives, Blossom Bags and Pumpkins for Patients, spreading joy to those in treatment. Recognizing the significance of support, we also host monthly support groups, providing a nurturing environment for individuals navigating their cancer journey.

Our latest endeavor, the tree memorial initiative, invites individuals to dedicate a tree in local parks in memory of or in honor of someone important to them. These efforts, coupled with our support groups, exemplify our commitment to our mission: offering solace and companionship to cancer patients, reminding them they are not alone.

We're excited to announce our upcoming fundraiser, a fun walk-run 5k in Bridgewater on September 7, 2024. We humbly seek your support to extend our reach and sustain our efforts year-round, ensuring we can continue our vital work.

With one in three individuals likely to face a cancer diagnosis, the impact of your generosity is profound. Our faith-based ministry strives to illuminate the path for others, embodying the spirit of Matthew 5:14:

"You are the light of the world. A town built on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven."

Through your support, we've been able to secure a new home for Bags and Blessings (located at 421 Railroad Street in Rochester) and expand our services, including community acupuncture and massage therapy. Your contributions fuel our growth, enabling us to explore additional ways to serve our community.

Enclosed, you'll find details of our sponsorship levels. Please don't hesitate to reach out with any questions or if you'd like further information on our programs or event.

Thank you for your kindness, generosity, and unwavering support of Bags & Blessings. Together, we can continue to provide comfort and hope to those facing the challenges of cancer.

Blessings,

Robin Redfern
